

**THE DURHAM COMPANY**

*Committed to Quality and Continuous Improvement*

Manufacturing Locations: Lebanon, Missouri • Houston, Missouri

## Durham 150, 200 Amp. Residential Meter Sockets Arc Suppressor Change

**Durham Would Like To Implement This Change by April 16, 2004**

**New Style**

- New style has an all rounded edge surface that provides greater safety for installers and less opportunity to damage the conductor insulation.
- Greater rigidity compared to the 16-gage unit shown below.

**Old Style**
