

# PRO-OUTERWEAR™ Protective Clothing

Hard Working Clothing for Hard Working People.

Salisbury continues to set industry standards with the introduction of the new PRO-OUTERWEAR Protective Garments. These fire resistant garments are a new addition to the PRO-WEAR™ Arc Flash Protective Clothing Line. Constructed of high quality FR fabrics and designed with durability and comfort in mind, this new clothing line offers the same high standards you've come to expect from Salisbury.

Different from the PRO-WEAR Line of Arc Flash Clothing. The PRO-OUTERWEAR Line is designed for colder outdoor use. The garments include a quilted inner lining for comfort and warmth. Specialized gussets and shoulder designs allow for ease of movement and durability. The garment is intended for use by linemen and electrical workers.

Salisbury's PRO-OUTERWEAR Protective Clothing Line includes a hooded jacket, chore coat with removable hood and bib overalls.

Tough, Durable, Dependable. **DESIGNED ESPECIALLY FOR LINEMEN.**
